No 177 Dated 5th August 1898 from the Principal Medical College Madras
No 254 Dated 8th October 1898 from Do

The Secretary to Government
General and Revenue Department
Bangalore

Sir

I have the honor to submit for favor of early sanction the accompanying bill for Rs 312 8 6 being the Cost of Medical books purchased by the Principal Medical College Madras for the use of the 1st year Medical pupils undergoing training in the Medical College

In view to obviate the necessity of making frequent application for funds and having regard to the Proceedings of Government No. 537.46 / 99.96 dated 11th July 1898, I wrote to the Principal saying that the amounts would be remitted

"D" presented to him in a few months hence i.e. after the Estimate shows the Cost of books for the ensuing year has been sanctioned in December 1898 but that Officer in reply, states in his letter No 2608/19 3rd Instant (herewith submitted) that it Causes much delay and unnecessary Correspondence and that he would have to issue the arrangement for the supply of books to our pupils, which wont. Of Course would be inconvenient to me

The marginally noted letters are also herewith forwarded as Vouchers for the bill

I have the honor to be
Sir
Your Most Obedient Servant
